

Exchange programmes and traineeships at AP!

Applications for Spring Semester 2017 are OPEN!

Greetings from Antwerp!

We are pleased to inform you that applications for spring semester 2016-2017 at **AP University College Antwerp** are now open.

You can find more information on our **English exchange programmes and possibilities for traineeships** on www.ap.be/international/modules

We organize following international classes during SPRING semester:

- **ICBM – International Class in Business Management**

For students studying in the field of Business Management, International Business, Marketing and Sales, Finance or Logistics

- **BIT – Business Informatics**

Students in Applied Informatics, Computer Science and Information Management are welcome to join this international class

- **EPS – European Project Semester**

A challenging semester of interdisciplinary and international real-life projects for students with diverse educational backgrounds

Deadlines

The application deadlines for the spring semester are

EPS: 1st November / Approval before 18th November 2016

All other programmes/traineeships: 1st November / Approval before 15th November 2016

Important: the number of places are limited per programme, so we will close applications once the maximum number has been achieved, even before the deadline.

Nominations

We request you to send your nominations to incomingstudents@ap.be. Make sure to mention name, first name, e-mail, gender, AP programme, period.

If you have already send me your nomination(s), we will soon contact your student(s) to start up the application process.

Applications

You can find the detailed [application procedure](#) and documents on our website.

After receipt of all documents, students will receive more practical information on topics such as accommodation, residence permit, welcome week etc.

If you have any questions, don't hesitate to contact me.

Kind regards

Annelies Verstraeten
