

I am writing in order to ask you to help me spread this message towards students that would like to come on Erasmus+ Traineeship in Vilnius, Lithuania.

Our company, Kokybės klubas, specializes in international business development, trade and exports and focuses on bridging the gap between Lithuanian and Turkish companies. We are looking for Turkish students/graduates that are interested in having a traineeship in Vilnius and would like to connect to the international business world.

Main activities will comprise:

- office work, use a laptop, communicate through email and phone.
- market research and finding common business points between Lithuania and Turkey.
- find new partners, collaborators and clients for Lithuanian and Turkish companies.
- make presentations about partner companies.
- draw up a country business environment profile.
- consultancy and negotiation support.
- create databases.
- participate in exhibitions and fairs.

Main requirements:

- Student or graduate passionate about international business (targeted specializations are economy, international business, commerce, international relations).
- fluent in English (minimum B2) and native in Turkish.
- available for approx. 3 months.

We will provide all specific Erasmus+ documentation upon placement completion.

I will be waiting for your questions and CVs.

*Pagarbiai/Yours sincerely,*
