Short Description of the Company (Please attach profile of your company, max 1 page)	24th Primary Public School is situated in the center of Thessaloniki. Thessaloniki is the semi capital of Greece therefore the 2nd most populated city. Our students' population is 117. We also run a kindergarten class consisting of 12 children. We have children, suffering from Down syndrome and difficulties with learning. We also have students coming from other countries (Albania), without forming their own class but being part of the rest of the classes among the other pupils. We take part in projects concerning theater, antiracist educational, tradition, local history, Mediterranean diet, or being different. Our aim is to get familiar with citizens of other European countries, learn about their history and way of life, see new places, compare our customs, point out and understand similarities and differences and therefore develop a peaceful way of living together.
